A

Accounting
Some fundamental concepts of accounting for nurses (Alterescu). 1989;16:125-8 (Keeping current)
Adaptation, physiological
Physiologic changes and functional ability in the older patient: a challenge for the creative ET nurse (Dalton). 1989;16:167-70
Administration, rectal, methods
Administering suppository via stoma (Bolinger). 1989;16:272 (Letter)
Adolescence
When your ostomy patient is an adolescent (Landmann). 1989;16:87-8 (Case notes)
Aging
Physiologic changes and functional ability in the older patient: a challenge for the creative ET nurse (Dalton). 1989;16:167-70
Sexuality and the elderly (Bates-Jensen). 1989;16:158-63
Amputation
Amputation in the diabetic population: incidence, causes, cost, treatment, and prevention (Fylling and Knighton). 1989;16:247-55

B

Bandages
Clinical safety and efficacy evaluation of a hydroactive hydrocolloid dressing in the care of cancer patients (Sheridan and Jackson). 1989;16:213-8 (Case notes)
Wound dressing treated as sterile or clean dressing? (Johnson). 1989;16:272 (Letter)
Beds
Evaluating mattress overlays and pressure relieving systems: a question of perception or reality? (Klein and Gilroy). 1989;16:58-60
Use of a pressure-reducing cushion in a neonatal setting (Taylor and Dalbec). 1989;16:137-8 (Case notes)
Bladder, surgery
Patient adjustment to an ileal conduit after radical cystectomy (Smith and Babaian). 1989;16:244-6
Bladder neoplasms
Patient adjustment to an ileal conduit after radical cystectomy (Smith and Babaian). 1989;16:244-6
Blindness
Help for blind patients (Mountain States Tumor Institute). 1989;16:94 (Letter)
Help for blind patients—a reply (Spencer). 1989;16:228 (Letter)
Body image
Body image changes in the patient requiring ostomy revision (Gawron). 1989;16:199-200

C

Cancer; *see* **Neoplasms**
Case notes
Case notes. 1989;16:26-43, 76-88, 131-8, 213-8, 264-5
Catastrophic illness
SNF benefits (Motta). 1989;16:228 (Letter)
Catheterization, central venous
A new way to anchor central venous catheters (Sharp and Heath). 1989;16:86 (Case notes)
Central venous catheter; *see* **Catheterization, central venous**
Certification
IAET Strategic Planning Report: Chapters IV, V, and VI. 1989;16:231-43
Colostomy
Patient with colostomy: Part I (Mash et al). 1989;16:201-12 (Standards of care)
Patient with colostomy: Part II. 1989;16:256-63 (Standards of care)
Suppositories administered via a colostomy stoma—a reply (Gill-Thompson) (Pauly) (Powers). 1989;16:93 (Letter)
Understanding diverticular disease (Coellen). 1989;16:176-80 (Keeping current)
Corrections
Some fundamental concepts of accounting for nurses (Alterescu) (1989;16:125-8). 1989;16:166
Stoma rehabilitation in Japan: in the past and at present (Anazawa and Sakurai) (1989;16:72-5). 1989;16:175
Cost control
IAET Strategic Planning Report: Chapter II. 1989;16:147-57
Networking saves money and enhances patient care by consolidating resources (Motta). 1989;16:95-6 (President's message)
Some fundamental concepts of accounting for nurses (Alterescu). 1989;16:125-8 (Keeping current)
Cribs; *see* **Infant equipment**
Current literature
Current literature. 1989;16:44-7, 89-92, 139-42, 181-4, 222-7, 266-71

D

Decision-making, organizational
IAET Strategic Planning Report: Chapter III. 1989;16:186-94
Decubitus ulcer
Clinical safety and efficacy evaluation of a hydroactive hydrocolloid dressing in the care of cancer patients (Sheridan and Jackson). 1989;16:213-8 (Case notes)

January/February, pp. 1-48; March/April, pp. 49-94; May/June, pp. 95-144; July/August, pp. 145-184; September/October, pp. 185-228; November/December, pp. 229-272.

Decubitus ulcer—cont'd
Education of state officials in dermal ulcer care (Provo). 1989;16:144 (Letter)
Gosnell Pressure Sore Risk Assessment instrument revision (Gosnell). 1989;16:272 (Letter)
The implementation of a quality assurance study and program to reduce the incidence of hospital-acquired pressure ulcers (Van Ness). 1989;16:61-4
Pressure point measures in the operating room (Campbell). 1989;16:119-24
Standards of care. Alteration in skin integrity: the pressure ulcer (Barr). 1989;16:16-20
Decubitus ulcer, child
Use of a pressure-reducing cushion in a neonatal setting (Taylor and Dalbec). 1989;16:137-8 (Case notes)
Dehiscence; *see* **Surgical wound dehiscence**
Dermatitis, contact
Patch testing (Landmann and Ramos-Wilson). 1989;16:131-3 (Case notes)
Diabetes mellitus
Amputation in the diabetic population: incidence, causes, cost, treatment, and prevention (Fylling and Knighton). 1989;16:247-55
Disabled; *see* **Handicapped**
Discharge planning
Meeting the learning needs of the person discharged home with an open wound (Watterworth and Podrasky). 1989;16:12-5
Diverticulitis
Understanding diverticular disease (Coellen). 1989;16:176-80 (Keeping current)
Diverticulosis
Understanding diverticular disease (Coellen). 1989;16:176-80 (Keeping current)
Drainage, methods
Management of a wound with multiple drains (Wessel). 1989;16:26-8 (Case notes)
Dressings; *see* **Bandages**
Duoderm; *see* **Bandages**

E

Education, nursing
IAET Strategic Planning Report: Chapter I. 1989;16:97-118
IAET Strategic Planning Report: Chapters IV, V, and VI. 1989;16:231-43
Elderly; *see* **Aging**
Enterostomy, child
Principles of stoma care for infants (Boarini). 1989;16:21-5 (Keeping current)
Equipment and supplies
Pouching system as teaching tool (Hottenstein). 1989;16:144 (Letter)
Extended care facilities; *see* **Skilled nursing facilities**

F

Fecal incontinence
Fecal incontinence management—a reply (Hartnett). 1989;16:94 (Letter)
Financial management
Networking saves money and enhances patient care by consolidating resources (Motta). 1989;16:95-6 (President's message)
Some fundamental concepts of accounting for nurses (Alterescu). 1989;16:125-8 (Keeping current)
Focus on research
Focus on research. 1989;16:129-30

G

Gastrostomy, child
Alternatives in gastrostomy management: the button (Reynolds and Kirkland). 1989;16:134-6 (Case notes)
Geriatrics
Sexuality and the elderly (Bates-Jensen). 1989;16:158-63
Gosnell Pressure Sore Risk Assessment
Gosnell Pressure Sore Risk Assessment instrument revision (Gosnell). 1989;16:272 (Letter)

H

Handicapped
Economic and political concerns of disabled persons (Futch). 1989;16:76-80 (Case notes)
Hansen's disease
What to do about Hansen's disease (Spencer). 1989;16:34-6 (Case notes)
HCFA; *see* **United States health care financing administration**
Health care financing administration; *see* **United States health care financing administration**
Health insurance for aged and disabled, Title 18
Quality review and assurance strategies of the Medicare program (Motta). 1989;16:1-3 (President's message)
Health plan implementation
The implementation of a quality assurance study and program to reduce the incidence of hospital-acquired pressure ulcers (Van Ness). 1989;16:61-4
Health planning
IAET Strategic Planning Report: Chapters IV, V, and VI. 1989;16:231-43
Health policy
IAET Strategic Planning Report: Chapter II . 1989;16:147-57
Health resources
Networking saves money and enhances patient care by consolidating resources (Motta). 1989;16:95-6 (President's message)
Hirschsprung disease
Pouching system as teaching tool (Hottenstein). 1989;16:144 (Letter)
Hospitals, rural
Networking saves money and enhances patient care by consolidating resources (Motta). 1989;16:95-6 (President's message)
Hydrocolloid dressings; *see* **Bandages**
Hypersensitivity
Patch testing (Landmann and Ramos-Wilson). 1989;16:131-3 (Case notes)

I

IAET; *see* **International Association for Enterostomal Therapy**
Ileal conduit; *see* **Urinary diversion**
Infant care
Principles of stoma care for infants (Boarini). 1989;16:21-5 (Keeping current)
Infant equipment
Use of a pressure-reducing cushion in a neonatal setting (Taylor and Dalbec). 1989;16:137-8 (Case notes)
Infant nutrition
Alternatives in gastrostomy management: the button (Reynolds and Kirkland). 1989;16:134-6 (Case notes)
Insurance, health, reimbursement
IAET Strategic Planning Report: Chapter II. 1989;16:147-57
Reimbursement update: tackling the HCFA bureaucracy (Motta). 1989;16:37-8 (Case notes)
Insurance, long-term care
Issues in long-term care impact ET nursing (Wright). 1989;16:229-30 (President's message)
Insurance, major medical
SNF benefits (Motta). 1989;16:228 (Letter)
Intensive care units, neonatal
Use of a pressure-reducing cushion in a neonatal setting (Taylor and Dalbec). 1989;16:137-8 (Case notes)
International Association for Enterostomal Therapy
Blueprint for the 1990s: a strategic plan for the IAET (Motta). 1989;16:49-51 (President's message)
ET nursing practice (Mash et al). 1989;16:171-5 (Standards of care)
IAET Strategic Planning Report: Chapter I. 1989;16:97-118
IAET Strategic Planning Report: Chapter II. 1989;16:147-57
IAET Strategic Planning Report: Chapter III. 1989;16:186-94
IAET Strategic Planning Report: Chapters IV, V, and VI. 1989;16:231-43
A new dimension (Wright). 1989;16:185 (President's message)
Patient with colostomy: Part I (Mash et al). 1989;16:201-12 (Standards of care)
International perspective
International perspective. 1989;16:72-5
Irritants
Patch testing (Landmann and Ramos-Wilson). 1989;16:131-3 (Case notes)

K

Keeping current
Keeping current. 1989;16:21-5, 125-8, 176-80, 219-21

L

Leprosy; *see* **Hansen's disease**
Letters to the editor
Letters. 1989;16:93-4, 144, 228, 272
Literature
Current literature. 1989;16:44-7, 89-92, 139-42, 181-4, 222-7, 266-71
Long-term care
Issues in long-term care impact ET nursing (Wright). 1989;16:229-30 (President's message)

M

Male
Urinary pouching for selected incontinent males (Capp and Hughes). 1989;16:83 (Case notes)
Marketing of health services
IAET Strategic Planning Report: Chapters IV, V, and VI. 1989;16:231-43
Mattresses; *see* **Beds**
Medicaid; *see* **Medical assistance, Title 19**
Medical assistance, Title 19
Issues in long-term care impact ET nursing (Wright). 1989;16:229-30 (President's message)
Medicare; *see* **Health insurance for aged and disabled, Title 18**

N

Neoplasms
Clinical safety and efficacy evaluation of a hydroactive hydrocolloid dressing in the care of cancer patients (Sheridan and Jackson). 1989;16:213-8 (Case notes)
Nurse clinicians
The nursing process as a method for facilitating research (Jenks and Morin). 1989;16:164-6
Nurses, education
Some fundamental concepts of accounting for nurses (Alterescu). 1989;16:125-8 (Keeping current)
Nurses, standards
Recognition of ET nurses (Cullen). 1989;16:144 (Letter)
Nursing
Establishing an independent ET nursing practice (Wright). 1989;16:219-21 (Keeping current)
ET nursing practice (Mash et al). 1989;16:171-5 (Standards of care)
IAET Strategic Planning Report: Chapter III. 1989;16:186-94
Patient with colostomy: Part I (Mash et al). 1989;16:201-12 (Standards of care)
Nursing, trends
IAET Strategic Planning Report: Chapter I. 1989;16:97-118
Nursing diagnosis
Patient with colostomy: Part I (Mash et al). 1989;16:201-12 (Standards of care)
Physiologic changes and functional ability in the older patient: a challenge for the creative ET nurse (Dalton). 1989;16:167-70
Nursing process
The nursing process as a method for facilitating research (Jenks and Morin). 1989;16:164-6

Nursing research; *see also* **Research**
The nursing process as a method for facilitating research (Jenks and Morin). 1989;16:164-6
Reviewing research findings for application to ET clinical nursing practice (Hughes). 1989;16:129-30 (Focus on research)
Nursing staff
IAET Strategic Planning Report: Chapter II . 1989;16:147-57

O

Operating rooms
Pressure point measures in the operating room (Campbell). 1989;16:119-24
Organization and administration
Cultivating time management skills (Ritter). 1989;16:264-5 (Case notes)
Ostomy
The antireflux pouch: Is it effective, is it functional? (Lastnik). 1989;16:84-5 (Case notes)
Convex inserts—a reply (O'Connor). 1989;16:94 (Letter)
Information requested (Kasten). 1989;16:93 (Letter)
Physiologic changes and functional ability in the older patient: a challenge for the creative ET nurse (Dalton). 1989;16:167-70
Pouching system for school-aged child (Daw). 1989;16:93-4 (Letter)
Stoma rehabilitation in Japan: in the past and at present (Anazawa and Sakurai). 1989;16:72-5 (International perspectives)
When your ostomy patient is an adolescent (Landmann). 1989;16:87-8 (Case notes)
Ostomy, psychology
Body image changes in the patient requiring ostomy revision (Gawron). 1989;16:199-200
Ostomy, rehabilitation
An investigation of quality of life and self-esteem among individuals with ostomies (Kelman and Minkler). 1989;16:4-11

P

Patch tests
Patch testing (Landmann and Ramos-Wilson). 1989;16:131-3 (Case notes)
Patient care management
Principles of stoma care for infants (Boarini). 1989;16:21-5 (Keeping current)
Standards of care. Alteration in skin integrity: the pressure ulcer (Barr). 1989;16:16-20
Patient care planning
Sharing skills and knowledge (Gill-Thompson). 1989;16:144 (Letter)
Patient teaching
Meeting the learning needs of the person discharged home with an open wound (Watterworth and Podrasky). 1989;16:12-5
Patients, child
Teaching the younger patient (Hafeman). 1989;16:52-7
Pelvic exenteration, history
Pelvic exenteration: a historical overview (Smith). 1989;16:195-8
Physiology
The physiologic responses of the trauma patient (Marvin). 1989;16:65-71
Planning, health and welfare; *see* **Health planning**
Planning technics
IAET Strategic Planning Report: Chapter I. 1989;16:97-118
IAET Strategic Planning Report: Chapter II. 1989;16:147-57
Policy making
IAET Strategic Planning Report: Chapter III. 1989;16:186-94
Postoperative care
Patient with colostomy: Part II. 1989;16:256-63 (Standards of care)
Pouching system; *see* **Equipment and supplies**
Practice management, medical
Alternative settings for practice: extended care facilities (Torreabla). 1989;16:81-2 (Case notes)
President's message
Blueprint for the 1990s: a strategic plan for the IAET (Motta). 1989;16:49-51
A farewell address (Motta). 1989;16:145-6
Issues in long-term care impact ET nursing (Wright). 1989;16:229-30
Networking saves money and enhances patient care by consolidating resources (Motta). 1989;16:95-6
A new dimension (Wright). 1989;16:185
Quality review and assurance strategies of the Medicare program (Motta). 1989;16:1-3
Pressure; *see also* **Decubitus ulcer**
Evaluating mattress overlays and pressure relieving systems: a question of perception or reality? (Klein and Gilroy). 1989;16:58-60
Use of a pressure-reducing cushion in a neonatal setting (Taylor and Dalbec). 1989;16:137-8 (Case notes)
Pressure point lesions; *see* **Decubitus ulcer**
Pressure sore; *see* **Decubitus ulcer**
Problem solving
The nursing process as a method for facilitating research (Jenks and Morin). 1989;16:164-6
Professional practice; *see also* **Standards**
Establishing an independent ET nursing practice (Wright). 1989;16:219-21 (Keeping current)
IAET Strategic Planning Report: Chapter III. 1989;16:186-94
Public relations
IAET Strategic Planning Report: Chapters IV, V, and VI. 1989;16:231-43

Q

Quality of health care
Recognition of ET nurses (Cullen). 1989;16:144 (Letter)

Quality of life
An investigation of quality of life and self-esteem among individuals with ostomies (Kelman and Minkler). 1989;16:4-11
Quality assurance, health care
Quality review and assurance strategies of the Medicare program (Motta). 1989;16:1-3 (President's message)

R

Rehabilitation
Stoma rehabilitation in Japan: in the past and at present (Anazawa and Sakurai). 1989;16:72-5 (International perspectives)
Reimbursement mechanisms
IAET Strategic Planning Report: Chapter II . 1989;16:147-57
Research; *see also* **Nursing research**
Focus on research. 1989;16:129-30
IAET Strategic Planning Report: Chapters IV, V, and VI. 1989;16:231-43
The nursing process as a method for facilitating research (Jenks and Morin). 1989;16:164-6
Reviewing research findings for application to ET clinical nursing practice (Hughes). 1989;16:129-30 (Focus on research)
Reviews
Current literature. 1989;16:266-71
In review. 1989;16:48, 143
Rural health
Networking saves money and enhances patient care by consolidating resources (Motta). 1989;16:95-6 (President's message)

S

Sacrum
Pressure point measures in the operating room (Campbell). 1989;16:119-24
Salaries and fringe benefits
IAET Strategic Planning Report: Chapter III . 1989;16:186-94
Sex counseling
Sexuality and the elderly (Bates-Jensen). 1989;16:158-63
Sexual partners
Sexuality and the elderly (Bates-Jensen). 1989;16:158-63
Skilled nursing facilities
Alternative settings for practice: extended care facilities (Torreabla). 1989;16:81-2 (Case notes)
SNF benefits (Motta). 1989;16:228 (Letter)
Skin ulcer
Clinical safety and efficacy evaluation of a hydroactive hydrocolloid dressing in the care of cancer patients (Sheridan and Jackson). 1989;16:213-8 (Case notes)
Education of state officials in dermal ulcer care (Provo). 1989;16:144 (Letter)
Gosnell Pressure Sore Risk Assessment instrument revision (Gosnell). 1989;16:272 (Letter)
Pressure point measures in the operating room (Campbell). 1989;16:119-24
Standards of care. Alteration in skin integrity: the pressure ulcer (Barr). 1989;16:16-20
Skin ulcer, infant
Use of a pressure-reducing cushion in a neonatal setting (Taylor and Dalbec). 1989;16:137-8 (Case notes)
SNF; *see* **Skilled nursing facilities**
Spina bifida
The history of urinary diversion and undiversion (Faller). 1989;16:39-41 (Case notes)
Standards of care
Standards of care. 1989;16:16-20, 171-5, 201-12, 256-63
State government
Education of state officials in dermal ulcer care (Provo). 1989;16:144 (Letter)
Sterilization
Wound dressing treated as sterile or clean dressing? (Johnson). 1989;16:272 (Letter)
Stomal suppositories; *see* **Suppositories**
Suppositories
Administering suppository via stoma (Bolinger). 1989;16:272 (Letter)
Suppositories administered via a colostomy stoma—a reply (Gill-Thompson). 1989;16:93 (Letter)
Suppositories administered via a colostomy stoma—a reply (Pauly). 1989;16:93 (Letter)
Suppositories administered via a colostomy stoma—a reply (Powers). 1989;16:93 (Letter)
Surgical wound dehiscence
Treatment of extraordinary wounds: ingenuity and cooperation (Pettengill). 1989;16:29-33 (Case notes)

T

Teaching
Teaching the younger patient (Hafeman). 1989;16:52-7
Technology
IAET Strategic Planning Report: Chapter II . 1989;16:147-57
Third party payments
IAET Strategic Planning Report: Chapter II . 1989;16:147-57
Time and motion studies
Cultivating time management skills (Ritter). 1989;16:264-5 (Case notes)
Trauma; *see* **Wounds and injuries**

U

Ulcer, skin; *see* **Skin ulcer**
United States Health Care Financing Administration
Reimbursement update: tackling the HCFA bureaucracy (Motta). 1989;16:37-8 (Case notes)
Urinary diversion
Patient adjustment to an ileal conduit after radical cystectomy (Smith and Babaian). 1989;16:244-6
Urination incontinence
Urinary pouching for selected incontinent males (Capp and Hughes). 1989;16:83 (Case notes)

W

Wound healing

Clinical safety and efficacy evaluation of a hydroactive hydrocolloid dressing in the care of cancer patients (Sheridan and Jackson). 1989;16:213-8 (Case notes)

Dermal Wound Standards (Mash). 1989;16:228 (Letter)

Management of a wound with multiple drains (Wessel). 1989;16:26-8 (Case notes)

Meeting the learning needs of the person discharged home with an open wound (Watterworth and Podrasky). 1989;16:12-5

Treatment of extraordinary wounds: ingenuity and cooperation (Pettengill). 1989;16:29-33 (Case notes)

Wounds and injuries

The physiologic responses of the trauma patient (Marvin). 1989;16:65-71

Wound dressing treated as sterile or clean dressing? (Johnson). 1989;16:272 (Letter)
